Newmarks Goes Hi-tech!

We are pleased to announce the arrival of our new website. It is up and running at:

www.newmarks.net

The site will contain up-to-date information on all facets of the marina.

It currently has a variety of information about the Newmarks **wi-fi hot-spot**.

We are working towards creating an "owners" area enabling you to communicate with us from the comfort of your computer.

As a first step you will be able to submit changes of information (address and telephone) via our new **Change Form**.

Please help us to collect

your email addresses by using this form.

Secondly we are enabling the payment of **slip rentals** on-line. This feature will be available in early June 2008.

Look for Newmarks Hot-spot when connecting to the internet from the Marina.
